Please Keep This Page - Return Application by March 31, 2016

Dear Car Show Participants,

Enclosed please find the application for the April 30, 2016 Big Barn Classic Car show. If you want to ensure entry to the car show sign up NOW. **Last year the show sold out a month prior to the event.**

What to expect after I turn in my registration: Expect confirmation of your application via email or phone call, if you don't hear from us please feel free to call.

About 2-4 weeks prior to the show you will receive instructions/map by mail with a piece of paper indicating the class you are signed up in. Check the map I have moved the class spaces around. **PLEASE PARK IN THE ASSIGNED AREA.**

Arrival: Please make sure you place the paper in your windshield or hold it up as you turn into the parking lot. This will allow us to prevent traffic from backing up on State HWY 74, and get you safely in place. Safety and organization will also keep us in good standing with the City of Menifee. We can't have the show without the cities permit approval.

After you park go directly: to the check in booth and pick up your window plaque, voting slips, coffee/donuts voucher, goodie bag and event shirt. Turn voting slips in by noon.

What if I need to talk to someone about my parking space the day I arrive? Park first go to the check in booth get your window plaque and packet, ask for Maria, this will allow the information booth to continue guests check in and give me the opportunity to insure our participants receive the service they require and deserve.

Safety and organization is our goal! Our designated parking by class is designed to get you off the street and into a space with the class you are registered in. This will allow maximum votes by qualified peers registered in the same class. In the event of a tie this will allow executive staff to go to that class find the cars and make an executive decision.

Non- registered classic vehicles/clubs/groups: Park at the far -east end of the parking with civilian/guest parking please do not park in the postal office parking spaces.

Car club tours: Car club tours will not be scheduled or held on the same day of the show. Call and schedule a different date. Coffee and donuts will be provided for your scheduled visit. Thank you we appreciate your continued support!

Sincerely

Maria Mathey, General Manager **PHONE: (951) 928-3210 or www.mottemuseum.com**
